

The Great Electrifying Event

Bonneville Lock and Dam Powerhouse 2

Date: Saturday Time: 10am – 3pm
February 18, 2012

Activities offered throughout event times.

Free educational event!

Visitors will learn how different forms of energy work through hands-on activities and films, and take a tour down inside Bonneville's Powerhouse 2.

DIRECTIONS: To get to the Second Powerhouse Visitor Center, travel on Washington State Route 14 to milepost 39, and turn onto the Dam Access Road about one mile west of the dam or three miles west of the Bridge of the Gods.

Highlights

- Learn the basics of electricity & how it's generated at Bonneville Dam!
- Great for elementary and middle school students!
- Fun for the entire family!
