

ACASS/CCASS Web-Based Online Training:

ACASS/CCASS Online Training

Online training is now available for Federal employees as well as Contractors, users of the modernized ACASS/CCASS application that supports the completion, distribution, and retrieval of Architect-Engineering and Construction contract performance evaluations. This is an interactive online classroom for the delivery of live training for our web-based applications. There is no investment in software required. For additional information and to register for the training, please visit our website at: <<http://cpars.navy.mil/allapps/cpcbtdlf.htm>>
