

In 2007 the U.S. Army Corps of Engineers, Walla Walla District, video counted all salmonids, shad, and lamprey passing at night in the fish ladder at Lower Granite Dam, starting on June 15 and ending on August 31. The WDFW supervising contract biologist only provided the Corps with nightly net counts (no hourly up and down counts). -Fish Field Unit, Bonneville Dam, 541-374-8801.
