12.5 Terms and Conditions

**Term and Conditions 4c**

4. The Corps shall implement an adaptive management process to review results of the monitoring program and other applicable new information and determine actions necessary to minimize any adverse Project effect:
  - c. If an adverse effect is determined by the adaptive management team, the Corps shall, within 30 days, submit an impact minimization plan to NMFS for approval. The Corps plan could range from proposing mitigation actions, to modifying or stopping the Project if warranted.

---

**Action Plan:** This item was included in the final adaptive management developed by the contractor.

**Schedule:** During construction as necessary to assess unknown adverse effect.
